

Vanish™ PLUS will immediately remove chlorine, chloramine, heavy metals and ammonia that are found in city water supplies. Vanish™ PLUS will also add a slime coat protectant to the water to help fish heal wounds and abrasions while protecting them in times of stress such as during water changes and clean-outs.

Vanish™ PLUS is safe for use with fish, plants, birds or domestic animals that drink from the pond.

Application Rates

1 fl oz / 30 mL	Treats up to 200 Gallons
2 fl oz / 60 mL	Treats up to 400 Gallons
4 fl oz / 120 mL	Treats up to 800 Gallons
8 fl oz / 240 mL	Treats up to 1,600 Gallons

SHAKE WELL BEFORE USE

POND SIZE CALCULATION: L x W x Avg. Depth x 7.5 = # of Gallons

New Pond Application Rate: Apply Vanish™ PLUS at the rate per gallon prescribed above after new pond has been filled. After 20 minutes pond water will be safe for fish and plants to be added.

Established Pond Application Rate: Apply Vanish™ PLUS at the rate prescribed above when performing a water change or refilling evaporated water.

For Best Results: Apply Vanish™ PLUS to an area of the pond with the most circulation to ensure the product will be dispersed throughout the entire pond.

Product Notices: Do not attempt to use Vanish™ PLUS as a fish medication.

Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in loss or injury to aquatic life. CrystalClear®, Inc. is not responsible for any loss of aquatic life.
