Mix with aquatic treatments to enhance effectiveness

CAUTION: KEEP OUT OF REACH OF CHILDREN

Do not take internally. Avoid skin contact. May cause skin and eye irritation. If swallowed: Do not induce vomiting. Get medical attention. In case of skin contact, flush thoroughly with water.

ACTIVE INGREDIENT: Blend of Methylated Seed Oil and Emulsifiers.....100%

Net Contents: 16 oz. • 472 mL

Why Use Treatment Booster™ PLUS?

Maximizes weed and algae treatments:

- Spreads the treatment, maximizing coverage.
- Develops an invisible bond, sticking the treatment to the target.
- Breaks down the surface of the weeds and/or algae, allowing the treatment to penetrate.

Plus

It also has been enhanced to work on underwater weeds and algae by breaking the water's surface tension. The treatment is sent directly through the water column delivering on target results every time.

ATTENTION:

Failure to use as directed, or sudden changes in water conditions not consistent with product label, may result in loss or injury to aquatic life. Airmax® Ecosystems, Inc. is not responsible for any loss of aquatic life.

DIRECTIONS FOR USE:

Use 2 oz per gallon of total treatment & water.
